**ST. PATRICK'S ROAD NETWORK UPGRADE**

**INVITATION FOR PRE-QUALIFICATION OF CONTRACTORS**

The Government of Grenada (GOG) has received a loan from the OPEC Fund for International Development (OFID) towards the cost of the St.Patrick's Road Network upgrade, and intends to apply a portion of the proceeds of this loan to eligible payments under this contract. Payment by OFID, will be made only at the request of GOG and upon approval by OFID, and will be subject, in all respects, to the terms and conditions of the Loan Agreement. The Loan Agreement prohibits a withdrawal from the Loan Account for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import, to the knowledge of OFID, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than GOG shall derive any rights from the Loan Agreement or have any claim to the proceeds of the Loan.

This project is being implemented by the Ministry of Communications, Works, Physical Development, Public Utilities, ICT & Community Development (MOW). A Project Coordinator within PCU will be responsible for the day-to-day management of project activities. Engineering Consultants will be retained by MOW to assist with the tender administration and supervision of the contract. It is expected that the project will be undertaken in phases.

MOW (hereinafter referred to as "the Employer") intends to pre-qualify contractors for Phase 1 of St. Patrick's Road Network Upgrade which will comprise the following works under this project:

- Morne Fendue to Pointzfield Road and Bridge Reconstruction Works
