**BASIC NEEDS TRUST FUND NINTH PROJECT – GRENADA

The Government of the Grenada (GOGR) has received financing from the Caribbean Development Bank (CDB) towards the cost of financing the Basic Needs Trust Fund Ninth (BNTF 9) Project and intends to apply a portion of the proceeds of this financing to eligible payments under a contract for which this invitation is issued. No party other than GOGR shall derive any rights from the Financing Agreement or have any claim to the proceeds of the Financing.

The Basic Needs Trust Fund (BNTF) is a poverty reduction programme of the Caribbean Development Bank (CDB) with nine participating countries, which includes Grenada. The BNTF Programme seeks to provide resources to poor communities to improve access to basic infrastructure services, provide temporary employment, enhance economic activity through skills enhancement; and reduce beneficiaries’ economic and social vulnerability to risks that impact on income and well being. Active engagement with the community is a priority for the Programme.
